

Invest in Africa

Delivering an Investor Readiness and Facilitating Finance for Small and Medium Enterprise (SME) under the Recovery and Resilience Program

June 2021

Project Objectives and Scope

- Identify 100 SMEs and provide technical support for 100 selected SMEs to be investor-ready and access finance to grow or expand their business
- Conduct due diligence on selected SMEs and facilitate financial linkages between SMEs and financial institutions (debt, equity, grant.)
- Provide finance advisory to enable a minimum of 50 SMEs to meet financial institutions' requirements.
- Facilitate finance for a minimum of 10 SMEs
- Facilitation of credit worth a total minimum of \$2 million by SMEs
- Depending on the investor readiness gaps identified, assist participating SMEs to meet financial institutions' requirements and access finance.
